

DEVELOPMENT *Monitor*

-PROMOTING PEACE, DEVELOPMENT AND GOOD GOVERNANCE.

A magazine centered on the distribution of information from sources which are true and reliable.

A magazine that covers the ECOWAS Sub-region, Africa and the rest of World.

A magazine that reveals the practicality of the nation and centers on ways we as a nation can work towards becoming a nation that has quality, quantity and unity.

A magazine that says it the way it is without fear or compromise.

A magazine that encourages the masses to speak up and believe that they can be heard.

A magazine that brings a corrupt system to the awareness of people.

A magazine that is not ashamed to announce the defaults of corrupt politicians.

A magazine that reads the minds of the elites and the masses and gives support to the downtrodden.

A magazine that suggests justice instead of injustice, an honest system instead of a dishonest and corrupt one.

A magazine that keeps politicians on their toes.

A magazine of worth that keeps people wanting more after you've had a slice.
