TGWAC visit to Precious Kid Model School on Global Recycling Day

A team of four of our high flyers were able to set goal of creating an enlightenment program to students for the just concluded "Global Recycling Day", which is held every 18th of March. The high flyers visited Precious Kid Model School popularly called PKMS at Durumi 2 Abuja, where they sensitize the wonderful students on the benefits of recycling and cleanliness. They also went a step further to present gifts to the students who answered questions after the enlightenment session. Further more, the team went ahead to create a vlog to commemorate Global Recycling Day. You can visit our YouTube channel @Teenage guide, to watch the vlog.

Remember to Recycle is to Rescue. Join the Recycling team to Rescue Mother Earth, you could start by reusing your plastic bottles.
The TGWAC High Flyers are: Oyindamola, Jeremiah and Queen Esther
