

LET THERE BE LIGHT

PASTOR E.A ADEBOYE

Text: John 9:1-7

John 9: 1-7

1. And as Jesus Passed by, he saw a man which was blind from his birth.

2. And His Disciples asked him, saying, Master, who did sin, this man, or his Parents, that he was born blind? 3. Jesus answered, Neither hath this man sinned, nor his Parents: but that the works of God should be made manifest in him. 4. I must work the works of Him that sent me, while it is Day: the Night cometh, when no man can work. 5. As long as I am in the world, I am the Light of the world. 6. When He had thus Spoken, He spat on the Ground, and made Clay of the spittle, and He anointed the eyes of the blind man with the Clay 7. And said unto him, Go, wash in the Pool of Siloam, (which is by interpretation, Sent.) He went his way therefore, and washed, and came seeing. Today is Fathers' Day and: I have the Right to decree to all my children that: It shall be well with you - Amen! I have the Right to bless you on Credit even as I Stand before you and then you will Pay for it later. ... That's the America way of Life!

WHEN THE LIGHT OF GOD PASSES YOUR WAY:

1. The first thing you can expect is that - Every "Generational Curses" in your Life will be Destroyed. You see because they asked a Question - Who sinned? Is it the Parent of this Fellow that has brought this Problem upon him? Because when the father sins, the children can be Partaker of the repercussions.

2 Kings 5: 20-27 - It was Gehazi who sinned but when Elisha was Pronouncing the Curse upon him; he said that the Leprosy of Naaman will cleave on you and on your Seeds forever. There

are many Sicknesses that are as a result of Curse - Nowadays, the Medicals will call it "Genetical Problems". It comes from the Genes! Every Evil coming from your Genes, the Light of God will wipe it out tonight - Amen. You see, that is why the Bible says that if any Man be in Christ, He is a New Creature; ~~Old Things has Passed away,~~

behold all things has become New. That is why when you become "Truly Born Again"; you Change families - You can move into the Family of God!. Because for as many that has received Him, to them He gave them Power to be Called Children of God! So, I thank God for all those who gave their lives to God tonight because you are now in the Family of God - And in the Family of God, there is no Curse. So, when the Light of God comes your way; even if your Problems can be traced to the sins of your Parents; the Problems are over tonight - Amen!

2. Then they asked a other Question - Maybe it is the Man who sinned. Your own Personal sin can bring a lot of trouble to you because the Bible says that the Soul that sins, it shall die. And there are several Agents of Death - Sickness is just one of them. There are Problems that will hasten Someone towards the Grave. I mean in Mark 2: 1-12 - The Bible said that they brought a Man who was Paralysed from Head downwards to Jesus Christ. He was so Paralysed, so Heavy that it took four (4) Men to carry him.

When they got there, they found out that there was no way through the door and no way through the Window. They climbed to the roof - Tore the roof, tore the Ceilings and brought the Man down to Jesus Christ. Everybody Present should know - This Man is here for Healing but Jesus Christ went to the root of the Problem.

When He looked at the boy, He did not say: "Boy, be Healed". The first thing that He said was: "Thy sins be Forgiven thee". ... He knew that boy was in that Problem because of whatever it is that He did. When the Lord healed the Man by the Pool of Siloam, who has been Sick for 38 years. After He healed him and the Man went to the Temple rejoicing and Jesus Christ met him there; what was it that He said to

him - Go and sin no more or else something worst will happen. So, those of us who are toying with sin, you are asking for trouble - Sin kills; take my word for it. There are those who will tell you that once you are Born Again, you can continue to live a Life of sin, a Life of Carelessness; that Grace will cover it - That is not what my Bible teaches. The Bible made it clear - We cannot continue in sin and expects Grace to abound.

The Word of God made it clear - It says: God forbids. Your Personal sin can get you into very Serious Trouble. But on this Particular occasion, the Light of God was Passing by and so Jesus Christ answered the People - Now, we brush aside the Parental sin, we brush aside the Personal sin. So, if there is any Problem that your sin has brought upon you; in the Name that is above every other name; that will be gone tonight - Amen

3. When the Light of God is Passing by you; the next thing thar you can expect is "Divine Touch". Jesus Christ touched the Man - He split on the Ground, made some little Mud out of the Clay, Put it where the eyes were supposed to be (Remember, I told you that the Man left Heaven without eyes). So Jesus Christ said to the People - We just want to show you how Man was created from the Mud. So, where eyes were supposed to be put, this Man didn't wait for his own - So, let us arrest the situation and so He put some Mud there. Now there are some "Smarter Legs", some "Clever Boys"; who will tell you that Jesus Christ was Practicing Medicine there. What I have asked them is - If that is how to make the Blind see, why didn't you Practice Medicine too? Split on the Ground, made some Mud and let the Blind see. But when God touches Mud, the Mud becomes Anointed. I am Praying for all of you who are here today or reading now, because you came, even the Dress that you are wearing will become Anointed - Amen. So, the Lord touched him! And if you read Matthew 8: 1-3; the Bible said that when the Leper came to Jesus Christ and said that I know you can make me Clean if you are willing. The Bible said Jesus Christ moved by Compassion touched

him. And when God touches you, your Life can't remain the same!

*In the Name that is above every other name; God will touch Someone tonight or as you read this message in Jesus name – Amen. Many of you has heard the Story of a time I went to the North in the Northern Part of Nigeria to go and Minister in another Church.

And when I finished Preaching, the Pastor put me in a room to go and wait and then put Somebody at the Entrance to make sure that People don't disturb me. But as soon as I settled down; I can hear Someone talking to the boy by the Gate - I want to see the Preacher. And the Fellow at the Gate said why do you want to see him. And the woman said to him, that is None of your business but I must see the Preacher.

Anyway, she forced her way in and then she was dressed like a Muslim Sister - Face almost totally covered. And so I said: Yes, what can I do for you? Then she said that I'm about to talk to you because I know that you don't live here - So, I became a bit Suspicious.

And then she said that I have never heard Faith Preached the way you Preached it tonight and so I know that God is likely to solve my Problem. What is the Problem? Then she removed the veil and she was a Leper. Of course, I recalled Involuntarily.

To cut a long Story short, I Prayed for her. When I asked why have you not told the Brethren here? She said that if I tell them and they Prayed and Nothing happened; when they see me Next time, they will say: Here comes a Leper. But you don't live here and you are going. About a year later; I was back to the same Church to Minister. And as I was coming out of the car, here come this very "Beautiful Lady" smiling brightly and she said: You don't remember me? I said: No ma. She said that I was the Leper but your God touched me. I am not going to touch you tonight but there is a Hand, Mighty enough to touch each and every one of you. God will touch you tonight or as you read now in Jesus name. Amen

4. The 4th Thing you can experience when the Light of God Passes by you is that Darkness will depart Permanently. In Mark 10: 46-52; you know the Story of Bartimaeus - Who was sitting by the roadside. When the Light was Passing by, He cried out, he got His attention. I Pray that when it is time to Pray tonight, you will Pray. You will Pray like we used to Pray in Africa because I have observed I don't know why that in America, you Pray like Ladies and Gentlemen. Well back home in Africa where I come from, we Pray like Lions and Lionesses.

When you need Help, you can't afford to be Gentle - Get your Miracles first and then you can become a Gentle Man. Bartimaeus did not Pray like a Gentleman - He disturbed everybody with his Noise. They told him to shut up but he told them that you are not the one in trouble, you can shut up. Maybe that is why you People can Pray quietly as you are not really in Problem - If you are sick, there are Doctors around and drugs of all kinds. But where I come from: I. The Doctors has gone for Greener Pastures. II. Those who are Compassionate enough to wait for us; when you go to the Hospital, there are no drugs. III. If the drugs are there, some of us don't have the Money to buy the drugs.

Some People have asked me - Why is it that you have a Program called "The Holy Ghost Service (HGS)"; that you started since 1986 and it is still growing bigger?

It is because the People know that if they get there; they will get their Healings for Free. Because there is a Doctor that won't travel to Saudi Arabia - His Name is Jesus Christ! So tonight, when it is time for you to Pray; Pray like Bartimaeus and Darkness will leave you alone... Bartimaeus was never blind again. When we talk about Darkness, we might be talking about Darkness of the eyes and then there is Darkness of the Spirit.

You know the Story of the Mad Man in Gadara in Mark Chapter 5 - This Man was tortured by a Legion of demons and he was Practically destroying himself. He was cutting himself with Stones and he has habits that are very Destructive. But when the Light Passed by him, all the demons left in one go and he was never Mad again.

As a matter of fact, not only was he healed from Darkness, his Destiny was restored - He was created to be an Evangelist but then the demons came and took him over, then Light came and chased away Darkness. The Man that they thought will die without anybody to bury him, because he knew that his case was Hopeless, he was living in the Graveyard so that when he dies, Nobody will need to bother.

Suddenly, he become a Man who Preached the Gospel so much that the Bible says that the next time that Jesus Christ came back to that Town, the crowd was so much that He can't even find the time to rest. There is Someone here tonight or reading now because Light is going to come your way, Darkness will leave you alone and your Destiny that has been truncated by Forces of Darkness will be restored – Amen.

5. The fifth thing you can expect when Light comes your way is because as soon as Darkness

is gone and Light comes; Progress becomes easy. Nobody can make much Progress in Darkness! If all of a sudden, the Light here goes off and we asked all of you to go out; it is not going to be easy for you to find the door. You can move around freely now because there is Light. When everything suddenly goes blank; suddenly you won't remember where the eyes are. But when the Light comes, Progress becomes easy and rapid. *When God gets rid of Darkness in your Life tonight; beginning from this very week, you will begin to make "Rapid Progress" – Amen.

6. The sixth thing that you should expect when the Light comes your way tonight is found in John 9: 24-25. Because People were discussing - Is it the Man who was blind or Somebody else et cetera et cetera. When they didn't know what to do, they Challenged the Parents and the Parents said: Ask him now! And they said to him: Hey, give Glory to God! This Jesus that you said opened your eyes, we know Him to be a Sinner. A Sinner cannot Perform this Miracle. The Man said: Whether He is a Sinner or not, I don't know. But one thing that I know - Whereas I was blind, now I see. The Next Thing that you are to expect tonight when Light comes your way is a New Song. I don't know about this "Adeboye", I didn't know whether he is a Man of God but one thing that I know is that I came to this Light Up. I. I came in Sick but I moved out well. II. I came Stagnant but suddenly I became "Rapidly Promoted". III. I came with a Burden but by the time that I went out, my Burdens has been lifted. Somebody is going to sing a New Song tonight – Amen.

7. The seventh thing that you should expect when the Light comes your way tonight is that you begin to Shine. Because everywhere that Man went, People wanted to hear his Testimony.

And the Apostle Joshua Selmán who spoke before me has already made it clear to you - You can't Shine unless you have Light. But when Light comes your way, all of a sudden, you begin to Shine! And the Apostle told you that Heathens will not come to you but they will come to your Light. When your Light comes, you begin to Shine.

Today, you may be Unknown, but before the end of this Year; because you will be Shinning, People will seek you out - Amen I will tell you two (2) Stories and you will then Pray - Talking about Shinning:
