

The Power in Confessing the Word

Text: John 1vs 1-10

The simple statement in the beginning was the word and the word was with God and the word was God is pregnant with many meanings. One of them is that before anything that existed now ever existed, the word was already existing in order words, he saw the beginning of everything else since all things were made by him. No matter what is that existed it has its root in God. This is a good news for children of God because since he was in the beginning of everything and everything was made by him, then everything is controlled by him. **THE WORD.**

Therefore, when you simply speak the word of God into any situation you gain control over it. Before the mountains were brought forth, he has been God. (Psalm 90v1-2)

This is why mark 11v22-24 says that if you have faith you can speak to any mountain and it will move. For example if the mountain of sickness want to bring you down, you uproot it with the word of God in Isaiah 53v5 that by Jesus stripes you are healed. If it is the mountain of Failure, then you can uproot it with the word in Deuteronomy 28v13 that says you shall be the head and not tail. If it is the mountain of poverty threatening you then you can uproot it using 2 Corinthians 8v9 which says Jesus was made poor that you may be rich. So the power in confessing the word of God to every situation you find yourself will grant us the much needed victory.

The word is the communication of the father. He is the rational force of the fatherly fulsomeness overflowing in infinite goodness. The word is a full personality alongside the father at the principal moment of all things. The word was both with God and was God.

The bible says in the book of john 1v14 says the word of God became flesh and dwelt among us. The eternal and everlasting word became a human. The omnipotent creator of the universe became a person just like us- Jesus Christ felt, understood and prevailed over the same emotions, struggles, fears, doubts, joy, pleasure and experiences as any human being.

This is why the bible in the book of Psalm 119v105 thy word is a lamp unto my feet and a light and directs our path.

This is why also in Heb4v12 the bible says the word of God is quick and powerful and sharper than any two-edged sword piercing even to the dividing asunder of the soul and spirit that quickneth, the flesh profited nothing, the words that I speak to you they are spirit and they are life.

In the book of Psalm 107v20 it says he sent forth his word and healed them and delivered them from their destruction. As a child of God when you face any mountain, you take advantage of his presence and act on his word.

First you have to recognize him and give them the liberty to affirmation in your life. Christianity is not a religion. It is a living pulsating life of God in human body. It is divinity at work in humanity. Christianity is a real relationship between a real God and a human being through the power of the holy spirit and that relationship transform the individual into the image or representation of God (2cor3v18) (Rom12v2). So, you must recognize His presence in your life and give him the presence over your life.

Secondly, you must activate the power through your word of faith as it fits into that situation. In Matthew4v24-33 when Peter stepped out in faith he activated the power of God and walked on water but when he allowed fear to attack his heart he began to sink. Also, in like 5v4 Peter launched into the deep in faith and we saw what happened.

Fear activate the power of darkness and failure but faith always activate the power of God. Speak words of faith to that situation at all time do this consistently and continuously and you will find out that the power of God will be activated to get the solution. Is there any situation in your life that defies the word of God in faith to that situation and you will experience the might power in the word of God.
