THE WORD OF GOD

Heb 4 vs 12

God's word is light (Psalm 119 vs 105) says the Word is a lamp unto my feet and a light unto my path. When light is absent people stumble and miss their way. I pray that the light of God will brighten your path and guide you through life in Jesus name. The Word of God is also truth. (John 17 vs. 17) says sanctify them through thy truth thy Word is truth. When you want to know the truth about anything search through the scriptures. When you want to know the truth about your health don't keep staring at a medical report instead focus on God's Word and believe in what he said in his Word concerning your health (1 Peter 2 vs 24) says that by his stripes you were healed. This is a settled matter and regardless of what any report says good health and healing is the truth about you.

When you want to know the truth about your finances read through God's word not the economic reports or forecasts. Economists can say whatever they want to say but you must choose to believe the Word of the Lord. God's Word contains the truth about everything that concerns you. God's Word is also life (John 6 vs 63) if anything in your life or around you is dead God's Word can bring it back to life. By his Word Peter's dead business received a net breaking boat sinking revival (Luke 5 vs 1 – 7). By his Word the dead son of the widow of Nain jumped back to life (Luke 7 vs 11 – 15). God's Word is alive according to our text his Word is living, active and sharper than any two edged sword. The Word is living, active, effective and has penetrating power. Our text today revealed that the Word of God reveals things that are ordinarily not easy to see or understand.

There is nothing hidden under the sun that God's Word cannot unveil (Hebrews 4 vs 13). Apart from unveiling the things that are hidden God's Word bring peace amidst storms. When Jesus and

his disciples were trying to cross to the other side of the sea they did not expect that they will be caught in the middle of a storm. The storm came and the disciples thought they would die they began to panic but thankfully Jesus was in the boat and his Word calmed the storm.

The Word of God is spirit John 6 vs 63. The Word that I speak to you they are spirit and they are life. The spirit alone gives eternal life; human efforts accomplish nothing. The Word of God transforms. In the book of (John 1 vs 12) it says that those who believe his Word he gave them power to be sons of God. Jesus gives the power or authority for those who believe in the Word to become the children of God. This power is the spiritual Authority and the right to be adopted into God's family enabled by believing in Jesus and his name.

Beloved God's Word contains all that you need in life. All you have to do is to study it, believe it, meditate on it and apply it in your daily Word. Jesus is the Word. Do you believe in the Word, have you accepted Jesus into your life? Bow your head and talk to him now. The Word is all you need to be that which God has designed you to be. Read the Word with the understanding of the Holy Spirit and it will work for you. The book of John 6v63 says 'It is the Spirit that quickeneth The Words that I speak unto you they are

spirit and they are life. The Word of God is Spirit and wherever it goes it must deliver and achieve its purpose. If you are yet to surrender to His authority by submitting to Him, the time is now. Ask for His Mercy and promised that henceforth you will strive to live according to His will so He will take absolute control of your life. As soon as you surrender to Him, He will take over and lead you to a glorious destiny. Just surrender to Him now. You are welcomed on board. God bless you.
