Let God Arise

We all need God now more than ever before. Every nation including individuals need God at this end time. There is so much confusion everywhere, things are getting tougher and tougher; many families can no longer afford the basic necessities of life many can no longer afford to pay their children school fees and so many of our youths and children are idle at home. The cost of food has skyrocketed; almost every day the price of food commodity is going high and high, many can no longer afford to go to the hospital if they are sick and so many are dying out of inability to pay hospital bills and buy drugs. This is why we all need God to arise for us so that we can reach our goal, it is only. Only God that can help us meet up with all our daily needs. This is why in Philippians 4:19 the word of God said "But my God shall supply all your needs according to his riches in glory".

He is the owner of the whole world both things that are seen and unseen, he has the capacity to give us anything we desire from him. At times like this when there is hardship and confusion everywhere the only thing we need to do is to call on God to rise up for us and help us. This is why He said in his word in Matthew 11:28-30 "Come unto me all you who are weary and heavy laden and I will give you rest, take my yoke upon you and learn of me for I am meek and lonely in heart and he shall find rest unto your souls for my yoke is easy and my burden is light".

We need God to arise for us in times of sickness since hospital bill and drug is no longer affordable. Matthew 8:13-15. He arose for the centurion's servant and he was healed, he arose for Peter's mother-in-law and the fever left her, this is possible because according to the book of 1st Peter 2:24, the word of God said that by his stripes we are healed. So we need God in times like this when we are sick to arise for us.

In times like this when things are difficult in the country and when the economy is bad we need God to arise for us. In the book of Luke 5:1-7 we saw what happened when Peter a professional fisherman toiled throughout the night but caught nothing but when Jesus Christ arose for him things turned around.

In the book of Mark 5:21-24 the woman with the issue of blood cried to God after suffering for more than 12 years and God arose for her and she was healed. In the book of Mark 10:46-52 we saw the story of blind Bartimaeus. The scripture told us he was born blind and could not see, he only heard that Jesus was passing and he shouted, son of David help me and heaven stopped on his behalf and God arose for Him. In the name above every other name I decree the Lord will arise for you today. There was no single soul in the scriptures that reached out to Christ that the Lord did not arise. "Come unto me all those that are weary and heavy laden and I will give you rest".

Why do we need God to arise for us?

1. So that he can help us. We cannot solve all our problems no matter how we try or how rich we are. We need God's help because he is limitless, he is the beginning and the end. Human beings are limited but only God is limitless. Jeremiah 32 verse 27; says "Behold I am the Lord the God of all flesh is there anything too hard for me?". Psalm 12 verse 1 - 3 says "I will look up to the hills from whence cometh my help, my help is from God who made the heaven and the earth. God is our helper and He is ever ready to help us and arise on our behalf. God is our burden bearer, Matthew 11:28 says 'He is ever ready to bear and carry our burden'.

2. We need God to help us to move forward and to fulfil our destiny as the book of Isaiah 41 v 10. He said I will help you and uphold you with my right hand of righteousness. We need God to help us to know the truth that can set us free John 8 v 32 says 'We need God to give us freedom. We saw the story of Paul and Silas in the book of Acts 16 verse 24 to 26, God arose for them as they were singing and praising him he gave them freedom from the shackles of chains and prison.

3. We need go to arise for us to turn our labour to favour, God is the owner of your destiny when he arises for you he will turn your labour to favour, in first chronicle 4 verse 10 Jabez cried out to the God of Israel saying oh that you will indeed, bless me and enlarge my border and that your hand will be with me and you will keep me from evil so that he does not hurt me and God granted his request. From today the Almighty God will arise for you and turn off your labour to favour in the name of Jesus.

4. We need God to arise for us along the best path way for life Psalm 32v8. It is only God that can guide and direct us on the right path to follow.

5. We need God to arise for us and bless the works of our hand, Deut. 28v12. We need God to arise for us and open the heavens so that you will be so blessed that you will lend to nations.

What must we do for God to arise up on our behalf?

We must accept him as our Lord and personal saviour, we must submit to him, who must serve him, we must worship him and we must obey him at all times.
