

THEME:

UNLIMITED GOD

PASTOR E.A ADEBOYE

BIBLE TEXT: LUKE 1:37

Power Passes Power - But there is no Power beyond the Power of the Almighty. And that Power will work for Someone Here Today - Amen!

2. He is Unlimited in Love because He Himself is Love. 1 John 4:8 tells us that God is Love. John 3:16 says that He so loved the world that He gave His Only Begotten Son.

All you need to do is to believe in Him and you will not Perish but you will have Everlasting Life. The Bible tells us that even when we are yet Sinners, He died for you - That is Love. Oh, your wife can tell you that "I Love you" and mean it.

But if you happen to die before her and they take you to the Burial Ground to be buried. Usually, some wives who want to demonstrate how much they love their husbands would have made arrangements for two Good Assistants. That when I get there and I said I want to jump into the Grave and be buried with him; you will hold me back. You all know very well - No matter how much you Love your wife/husband; the moment that Fellow dies, you won't Sleep on the same bed that Night. But there is a God that loves you so much. He even says that when you are passing through Fire, He will Pass through it with you. He is the One who says that when you are walking through the Valley of the Shadow of Death, where will He be? He will be with you.... He is Unlimited in Love! And I know what I am talking about?

I. Because when I considered the kind of Person that I used to be. **II.** When I look back to my University Days before I met the Lord Jesus Christ. **III.** When I considered all the Blaspheming's that we have uttered. I can't see how Jesus Christ could have saved my Soul! But Today, not only did He grabbed me among all these Blasphemers, not only did He save my Soul; He just Poured His Anointing upon me. I don't deserve it! Now, I wave my hands and Handkerchiefs become Anointed. That's Love! There is a God who is Unlimited in Love. And I know that there is Somebody here beside me that God loves and he/she knows that He loves him/her. If you are the one, let me hear you shout Hallelujah - Hallelujah!

3. He is Unlimited in Generosity. when He decides to give, He will give you far more than you can ever asked for. Ephesians 3:20 says: And God is able to do Exceedingly, abundantly above all we can ask or think. You ask Him for one thing, He can give you a thousand. You knock on one door; He can open a hundred doors. Which is one of the things that He is about to do this Year. I am talking of a God who

can answer your Prayers in such a manner that You will become embarrassed. In 2 Kings 4: 1-7; a Widow came to the Man of God and said that I have Nothing at home - Only a Pot of Oil. I am so breaking that the Creditors want to sell my Children. The Man of God said: Go home, borrow empty vessels, don't borrow a few and begin to Pour that little bottle of Oil. The oil continued flowing until there are no more vessels. By the end of the day; the woman had so much Oil. She came to the Man of God and he said that she should go ahead and sell the Oil, Pay the Creditors and for the rest of your Life, enjoy the remainder. May I decree to Somebody here today or reading now that kind of Blessings that even your Children won't be able to finish, receive it now in Jesus Name - Amen. And since I'm talking to the Young ones in Particular, I remembered very clearly the day one of my daughters came to me and say: Please, Daddy Pray for me. By now I should be married but no boy is coming. I say I see okay - Almighty God, please grant the Request of your daughter. Within a Month, she came back - Daddy Please Pray for me! What is the Problem again? She said that there are six (6) boys who came and said that I am the one. How do I know which one out of the six (6)? In the Name that is above every other names, in every houses where there are People who should be married; this Year (2025), there will be Wedding Bell ringing - Amen!

4. He is Unlimited in Favour.

When He decides to show you Favour, there is no limit. In 1 Samuel 16: 11-13; He showed Favour to David. The one his Parents never thought will become King was chosen by Him (God) to become a King. And He kept on showing him Favour upon Favour so that long after he was dead in Mark 10: 46-52; a Blind Man still referred to Jesus Christ: "Thou Son of David".... Long after David died, the Favour of God was still there Pursuing him. You see, when God decides to Promote you, He can Promote you till People won't even believe. Because the Bible says that when He picks you up and begin to lift you high; His Arms are Everlasting! And so, your Promotion will be Everlasting - Amen. And I am an Example of His Favour - I know what God can do. I know that He can go to one unknown family, pick up an unknown boy and just decide that I just want to show Favour to this boy. I told you that I was once in an African Country and somehow I said that I want to Pay a Courtesy visit to the President. And they said sure. They arranged the Meeting - But they say be careful o, maximum 15 Minutes. I said that is more than

We have been asked to speak on: "THE UNLIMITED GOD".

Luke 1:37: For with God Nothing shall be Impossible. Please tell two (2) or three (3) People that: Whether the devil likes it or not, my own will not be Impossible with God! 1. We are Serving a God who is Unlimited in Power. He has Power that Nobody can limit. Why? Psalms 62:11; the Bible says that God Has Spoken once, twice have I heard this that Power belongs to God. God is saying: I own Power and it doesn't belong to anybody else. Psalms 40: 28-31 tells us that He is the One who gives Power to the Faint. He doesn't Faint, He is never tired, He doesn't Sleep and He Doesn't Slumber - He is just Powerful! So, if anybody says: I have Power, just smile because Power belongs to God. Jeremiah 32:27 says: Behold, I am God, the Lord of all flesh. Is there anything "Too Hard" for me? The Power of the Local Government Chairman is limited to his Local Government. The Power of the Governor is limited to his State. The Power of the President is limited to his Nation. As Powerful as Donald Trump Donald Trump is USA President) may be now, he cannot declare a curfew in Nigeria. Can he? No! If he says that because I am the Number One in the whole world, therefore no Service in the Redeemed Christian Church of God (RCCG) in Nigeria from 5pm to 7pm; we will just laugh. You know there is one former President of Nigeria that we happened to be friends. And then one day we were together and we are having some fun. And then, he just prompts a Question: Pastor, who is the Most Powerful out of the two of us? I said me of course. He said no way! I said that I am more Powerful than you. He said that I can declare a curfew and said Nobody must be outside their homes from 6pm to 6am. So let me see how you will hold your Evening Services. I said that you are right sir. But can you decree that the Barren will become Fruitful? Can you decree that the Lame will walk? Can you decree that the Blind will see? I said that I can go on my knees and decree that everyone who needs a Miracle will get a Miracle. We both Lsugh.

enough as I just want to say that I came to your Nation sir. We want to start a Church here and so I said that I should greet you sir - That shouldn't take 5 Minutes! But then we got in and we began to talk. And one thing led to another - Don't ask me what we discussed as that is None of your business. And it was on Monday - The day for Cabinet Meeting and the Cabinet Members had gathered. And when they waited and one hour had gone and this Fellow hadn't come out. Then one of the Officers came - Your Excellency! He came to remind him of the Meeting. But he said thank you for coming, get us a cup of tea - That was the beginning of our discussion. After about two or so hours, finally I was coming out. Somebody was asking the other People: Who is he that kept the President for this long, keeping the Cabinet Members waiting? And one of them said he is one "Little Pastor" from Nigeria. And the other one said: Pastor? He is not even a Bishop? It doesn't matter your Title, if God decides to show you Favour, He will show you Favour! And I decree Today: In the Name that is above every other names, you will get Unlimited Favour - Amen

5. And He is Unlimited in Gentleness.... Oh God can be Gentle! David said: Your Gentleness has made me Great Psalm 18:35). You mean David? He made mistakes - You know his Story. After God has Favoured him, promoted him and made him King - He still messed up first class. But as soon as he ran back to God and say: Hey Lord, I have blown it. Have Mercy on me. God said that is alright - We will still Punish you for what you have done wrong but our friendship continues. God was so Gentle that as soon as he said that I am sorry; God said okay, I have forgiven you. That is why David said that Your Gentleness has made me Great. Is Pastor Adeboye a Perfect Man? Are you joking? Some People said that he is such a Wonderful Fellow. There was a time that some People said that the reason why God was Performing so many Miracles through us was because we are the "Original Enoch" that went away and came back. They say that I don't even eat. I said really? Somebody said that he says he eats Pounded Yam. And another said that: Have you ever seen him eat it? Just in case that you think that I don't eat, invite me to your house - Just make sure that you have very Good Pounded Yam and a lot of nice meats to meet it but He is Gentle - It is in His Gentleness that is how we manage going and that is how we continue to be Great. You know what? There is only one area where you can say: God is Limited. And that is when it comes to Patience. Oh, He can be very, very Patient but if you go too far, His Patience can run out. I can go through the Scriptures and show you all manners of Stories but let me just tell you of just one Fellow - His name was Ephraim. You want to read about Ephraim? You can begin the story in Genesis Chapter 48. Joseph was in Egypt, he had two sons - The Elder was called Manasseh and the Younger one called Ephraim. This Ephraim that I'm talking about. So one day, Joseph decided to bring his Children to his father for Blessings - By now, Papa couldn't see very clearly. So Joseph brought them - I have brought my Children to you my father for your Blessings. Papa said: Very Good - I never even thought I will ever see them. Bring them so that

I can bless them.

Joseph then arranged the situation - He put Manasseh where the right hand of Papa will land; and Ephraim where the left hand of Papa will land. Because the Right Hand carries a Bigger Blessing - Just take Note of that. All of a sudden, Jacob crossed his hands and put the right hand on the head of Ephraim and the left hand on the head of Manasseh. Joseph said: No, No, No; Manasseh is the first born and he should get the right hand. Papa said that I know what I am doing- I am being guided by God. Not long after that Cross Hand Blessing, you go through the Scriptures; Ephraim became ten times more Prosperous than Manasseh. That Single Crossing, Promoted Ephraim ten times more than the one who got the left hand Blessing. I Pray for Somebody here Today: If God wants to bless you, may He put His Right Hand on your Head - Amen! But as soon as Ephraim began to Prosper, he became Proud - He just began to do his own things. Everybody we have a Problem - All Tribes, let us go and fight for God. Ephraim will say: Don't you see all my flocks? Who will take care of my Sheep? Who will take care of all these animals. You go and fight! It is time to go and worship God! Ephraim will say: Ha, you go and Worship God; when you return we will welcome you back. Little by little, Ephraim began to Play with idols - After all, I am Specially Favoured now! The matter continued to such an extent that one day, God said to His Prophet in Hosea 4:17 - He said: Ephraim has joined himself to idols, leave him alone. Don't worry him anymore and don't talk to him about me again - Just leave him alone. Then He now said in Hosea 5:9 - He said: Ephraim shall be Desolate. I Favoured him, and I Promoted him above his brother; but he chose to ignore me. God has been sending Messages: Ephraim, come on now, you are my friend. Can't you see that I love you? Can't you see how I helped you? He said: Leave me alone and let me enjoy myself. God said, okay continue your enjoyment but you will Pay for it. Do you know the meaning of the word Desolate? Desolate means to be destroyed beyond recognition.

I will tell you a Story and then we will Pray because we are dealing with an Unlimited God. I was sitting down at the University of Lagos in my Office and I wanted to write a Paper - For those in the Academics Field, it is by the number of Papers you write that you are Promoted with. So, I wanted to write a Paper and I was just settling down - This is the Problem I am going to solve, and this is the Method I am going to use. Suddenly God spoke to me - Write to Chief So, So, So; tell him that I love him, tell him that I know all the evils that he has done. But if he would Surrender his Life to me now, I will forgive him and my Love for him will continue. Of course quickly I wrote down what God said - And I know the Chief, I know the Town where the Chief lives but I don't know anything else. Before I now said: Lord, I know Chief So, So, So; I know he lives in such and such a Town; how am I going to get to him? How will the Letter get to him? He said: Write Chief So, So, So; Chief So, So, So House, Town - He is such an important Man and the Post Master will know his house. And I'm talking of those days when you write Letters - And you will write a Letter in Nigeria, you will Post it

and you will Pray that the Letter will arrive within three (3) Months. This Letter arrived within three (3) Days because it was guided by the Angel of God. He got the Letter, he read it. And I wrote it there - If you think that this is a Letter from an Hungry Prophet tear it. But if you believed that this is coming from God, send for me and I will come and explain to you how you can be saved. You know what happened? As soon as he read the Letter, he told his Driver: Go to Lagos now, go and tell the Writer (My Address was there) to wait for me tomorrow as I will be in his Office tomorrow by 12 Noon. I was glad. 12 Noon he came - I explained to him: Sir, the Love God has for you is beyond imagination and that is why He has asked me to tell you this. Will you Please give your Life to Jesus Christ? He said I will think about it - Okay sir. For 2 years, every fortnight, I visited him - I will travel all the way from Lagos to go and Plead with him.

Sir, God loves you this much - Give your Life to Him now! He will say Thank You my friend - We became friends. When I arrive, so that Nobody will disturb us, he will take me to his Bedroom. It was in his Bedroom that I will talk to him. And when we are talking of Bedroom; you haven't seen Bedroom - Some Bedroom is about at least one third of this Church. You could Play Table Tennis there. I will talk to him and he will say: My friend I heard you. I just want to think about it. Then one day, he got an attack - He got a massive Stroke. Before he became unconscious, he told the People around: Please send for Pastor Adeboye. He told then that and he became unconscious. And they sent for me and I drove straightaway from Lagos to the Place. I got there, and saw him - He was in coma. I cried to God: Please Lord, restore him this once. Maybe I have not explained enough. Within one hour, he was Completely recovered. There was no sign of Stroke or anything - The mouth that had turned Upwards came back to normal. ... I mean that he was Completely recovered. So I said: Chief, what God has done for you now - Practically bringing you out of the jaws of death should be enough to show you that this God really, really loves you. Will you give your Life to Him now? Do you know what he said? I will think about it. That day, I knew that I shouldn't waste my time anymore. It wasn't long after that - Some Months later, that I heard that he has died.

God is Unlimited: Unlimited in Power. Unlimited in Love. Unlimited in Generosity. Unlimited in Favour Unlimited in Kindness, Unlimited in Gentleness. But once His Patience runs out - That is it.

PRAYER FOR SALVATION

And so my Father and my God, I just want to say Thank You for Your Words and Thank You Your People who has come forward today. Please Lord, receive them, save their Souls, forgive all their sins, please write their names in the Book of Life and from now on; let them do Your Will. And if they call on You for anything, please answer them by Fire. Whatever they ask for this Morning, my Father and my God, before the Sun Sets, give it unto them. And let all of us serve You till the End. In Jesus Mighty Name we have Prayed - Amen! Praise the Lord - Hallelujah!
