

THEME:

A NEW DAWN

PASTOR E.A ADEBOYE

BIBLE TEXT: PSALM 30:5

Poverty and the beginning of Success and Prosperity. We could take an example in Mark 10: 46-52. It tells you the Story of a Man called Bartimeaus - He was blind and so all his Life, he has been a Beggar. Then one day came, the Light of the world passed by him and his "New Dawn" began. Do you know that from that day onwards, he never begged again? And so, I'm believing God for Someone here today or reading this Message now on the Label of DMC; who all these years has been Struggling and most of the times you still have to beg Somebody before you can make ends meet

is going to ask for water. Solomon knew that he didn't have it Upstairs - He knew that he was Mentally deficient. So, when God said: What do you want? He asked for Wisdom. And from that day onwards he became the Wisest Man apart from the Lord Jesus Christ who ever lived. And so, I have Good News for my Children who are in School: You won't fail another exam again and you will surprise your Teacher - Amen and those of us who are in the Position of Authority in our Career Sectors - People who are Decision Makers:

We want to talk about "A New Dawn" - That was the Topic your Pastor has chosen for us. And I believed that the Pastor has been guided by God. If you look at Psalms 30:5 - It says: For his anger endureth but a moment; in his favour is Life: weeping may endure for a Night, but Joy cometh in the Morning. "A New Dawn" is made up of three (3) words - "A"; "New" and "Dawn". The "Dawn" is the Noun. The "New" is the Adjective. And the "A", we will talk about that later because I am not here to teach you English. We will start with the Noun (Dawn) because that is the big fellow. Dawn simply means the beginning of the Day. The beginning of the Morning. The beginning of Light. That moment when Darkness gives way for Light is what is called Dawn.

And according to the Passage that we read; the Bible says that: Weeping may endure for a Night - Meaning that weeping is for the Night. But it says: Joy comes in the Morning. So the "Dawn" Spiritually and otherwise really stands for the beginning of Joy. And so I want to start by making a decree: That in your Life, Sorrow ends today and your Joy begins today - Amen! 1. Physically, if you are looking for example, then you can take the Story in Acts 3: 1-8. It tells us the Story of a Man who was born lame - He had never known Joy before as he was born lame. Things were like that until one day came and everything that was causing him Sorrow came to an end. So, if there is any form of Sickness or Disease in your Life that has been causing you Sorrow; in the Name of the One who sent me, that Sickness/Disease will go today - Amen! 2. Financially when we talk of a New Dawn, we are talking about an end to

- That Story Will Change today (Amen). In 2 Kings 4: 1-7; there was Someone - A Widow of one of the sons of the Prophet who had been battling with debt for a long time; until the Creditors came and said that the only thing worthy of sale in the house was the sons. That day, she cried to the Lord of Light. Before the Day was over, all his debt was Paid and she never needed to borrow again. If you will have enough Faith to believe with me this Morning or as you are reading now; I will decree that: "You will never borrow again" - Amen! 3. Maritally, if we are talking of a "New Dawn"; we can take example in Genesis 21: 1-7. It is the Story of Sarah - Not only was she barren but she has become impossibly barren. And then, God decided to pay the family a visit - Just as I believe that my God came to visit Somebody here today. She said: Who would have thought that I will ever, ever give birth to a Child She was over ninety (90) years old.

Who will think that Somebody who should be Preparing for the Grave can still have a Child? And so, I am believing God for Someone: Maybe you or your Relative or Someone close to you that has been in Darkness of Darkness. Because of today's Service; very soon, the world will laugh with you - Amen

4. Mentally, if you are talking of a "New Dawn"; you can consider 2 Chronicles 1: 6-15. You know the Story - Solomon offered a thousand burnt Offerings to God. God gave him a Blank Cheque and said that anything that you ask, I will give you. Now, Solomon asked for Wisdom and People wondered why? When a Man is dying of thirst, and you ask him: What do you want? He is not going to say that I want a car. He is not going to talk about a house in Ikoyi. But he

That kind of Wisdom that will cause everybody to say: Ha, ha; that cannot be from Man as that must be a Divine Revelation, God will give unto you - Amen. From this Morning onwards, the world will look up to you for Wisdom - Amen! 5. When we talk of a "New Dawn"; and we talk Spiritually, you will find a good example in Mark 5: 2-20. It tells us the Story of a Man who was so captured by Forces of Darkness. He was so Mad that when Mad People saw him coming, they run. But then, the Light Passed by him and: In a Single Day, he became free. In a Single Day, he was restored to his full senses. In a Single Day, his Destiny which has been completely truncated by the devil, was fully restored to him. He woke up in the Morning in Complete Bondage, but before the Night came he had become what God Planned for him to be - An Evangelist of the Most High God. I'm decreeing to Somebody here today or reading this Message now on It doesn't matter how many Forces of Darkness are holding you captive - Because your "New Dawn" comes now: You shall be totally free. Your Destiny shall be fully restored. You will soon become what God Planned for you to become.... That is "Dawn". Now, let us look at the Adjective - "New". "New" can mean something that has never been used before.

Like a Brand New car. Or in another way, it could mean a car that has been used before and you sent it to the Manufacturer for repairs and they restored it so that it becomes as New. Let me give you an example: In the case of Naaman in 2 Kings 5: 1-5; Naaman was not born a Leper - He was born like a normal Child. But somewhere along the line, Leprosy came. By the time God restored him, the Bible

says that his skin was restored to him like that of a newborn baby. This is telling us that this Day is so important in our Life that whatever was Good in our lives before that we have lost somewhere along the line; because of the word "New" in "The New Dawn"; we will get all those things back - Amen! And it tells you that when we are talking of "A New Dawn"; it means that God is going to make everything Perfectly Whole again - Amen. Because when something is restored and we say it becomes New; it means that this thing was destroyed or bad before. By the time God finished with Naaman, there was no scar left in his body. Because if you have ever seen a Leper; you will discover that some fingers might have chopped off, some toes are no longer there and many a times, the nose is gone. So even when a Leper is healed, the moment you see him; you will know that this Man has been a Leper before. But in the case of Naaman, by the time God finished with him; all his skin was as New as that of a baby - Fingers back to Normal and everything back as before.

"New Dawn" therefore implies "Perfect Restoration". Let me close because a Sermon that is going to Change your Life forever doesn't last long. The Greatest Sermon that Jesus Christ Preached was the Sermon on the Mountain - It lasted for 15 Minutes. So we come to the Letter "A". The important thing about the Letter "A" is that it is different from the Letter "The". When we say: "The New Dawn"; we are talking of something for everybody. When we talk about "A New Dawn"; we are talking about something for me.... That is the crucial Point there. It simply means that "A New Dawn" is talking about a Miracle that is fashioned for me and not necessarily for all of us. And I will give you an illustration: In Mark 8: 22-25; Jesus Christ came to a Town called Bethsaida. And then they brought a Blind Man unto Him and they asked Him to Please touch him. And Jesus Christ did something - He took the Blind Man by the hand and led him out of the Town. Why? Because the Miracle He wants to give to that Man is for him and him alone - Not for the crowd. There was a crowd that brought him - Thank God that they brought him. But as soon as they brought him to Jesus Christ; Jesus Christ said Thank you to them and say to the Blind Man: Oga, follow me. And He took him out of the Town. When they were alone now, the Miracle began. And then He spat on his eyes, touched him and then asked him: Can you see anything? And the Man said that I can see Men as trees. Do you know what that tells us? It simply tells us that the Man wasn't born blind - He has seen trees before and he knows how Men were before. He said that what I see now is that Men are like trees. Jesus Christ said: Alright, I will give you a Second Touch.

And when he got the Second Touch, he saw everything Perfectly. "A New Dawn" is saying Specifically to Somebody - Just Somebody and I don't know who - And He is saying: Hey, I come Specifically because of you; I want to give you a Miracle that brings you Total Restoration and it is for you and you alone (Amen). That is the whole Sermon - "A New Dawn". 1. "Dawn": End of Darkness, beginning of Light. End of Sorrow, beginning of Joy. Whether Physically, Financially, Mentally, Maritally or Spiritually - Depending on which one that you need.

2. "New" could mean: The kind that has never happened before. You know that occasionally, some Miracle happen and you will find it difficult to Testify because that kind of Miracle has never happened before. So People find it difficult to believe you - And so you keep it to yourself or just share it with your Pastor. I know what I am talking about - I have heard Testimonies that if the People will share it in the open, nobody will believe them. Some of you remembered a boy whose mother died in Port Harcourt. He told them not to bury her but embalmed her as he is coming. And before he could get Permission from the Place of work and so on; by the time he arrived, it was eleven (11) days since Mama died. And he went with a Handkerchief that we have Prayed on and entered into the room Mama was and was carrying the Youngest baby of the mum. The fellow had been on the bed eleven (11) days embalmed. He laid the Handkerchief on her and said: Wake up now, your Child is here. And the Child too was saying: Mama, wake up. He Prayed a little Prayer that he could Pray and of course Nothing happened. So he turned sadly to get out of the room. As he got to the door, he heard a sound behind him and turned - And Mama was sitting on the bed. Now, when People heard that kind of Testimonies, they will say that this one has brought his own. Do you know that there is Somebody here today or reading this Message now When you begin to share your Testimonies, People won't believe you - Amen. So, "A New Dawn" means that a Miracle is going to be for you.

ALTAR CALL

And the only thing that you need to do is to come to Jesus Christ. That Man, Jesus Christ had to touched him twice - It was the People that brought him to Jesus Christ. Somebody invited you here today - You have been brought. All you need to do us to come out of the Darkness and come to the Light. It could also mean that you have already backslidden - You used to know Jesus Christ before and then you back slidded. So He says: Let us take you out of the Darkness into the Light So, I will wait for a couple of Minutes - If you have not Surrendered your Life to Jesus Christ

before, you can have "A New Dawn" today by coming to Him. If you have backslidden, you can come back to Him today for Restoration.

And Your Words says that: If any Man be in Christ, he is a New Creature (DMC NOTES: 2 Corinthians 5:17). Lord, I have come to You: Save my Soul, make me one of Your Children and I will serve You for the rest of my Life. And if you are a Backslider, just say: Lord, have Mercy on me, take me back as I don't want to have anything to do with Darkness anymore. Please Lord, forgive all my sins and restore me fully. Thank You Father. In Jesus Mighty Name we have Prayed - Amen.
