

Dear Editor,

**WHATEVER THEY WANTED THEY GOT**

They brought in Fulanis from Niger Republic armed them with sophisticated weapons and kept them on standby to unleash mayhem on indigenous Nigerians should their rigging of 2015 Presidential elections become unsuccessful, and nobody uttered a word. When they rigged their way into Aso Rock Villa, they killed and did goodness knows what with the oldest Lion in Nigeria, that was brought to the Jos Zoo in 1972 (Instead of shooting the beast with tranquilizer, they shot it with live bullets), they told us that the Lion had escaped, and nobody uttered a word. They released the Fulanis that they brought into the country, like a hungry Lion to devour Nigerians from Plateau to Benue to Enugu, to Imo, to (Southern) Kaduna, to Ondo States, and harmless innocent Citizens were slaughtered like chickens, fetuses ripped out of the bellies of pregnant women, skulls of babies wearing diapers were cut open and their brains rolled out on the ground, and nobody uttered a word.

Cows became sacred and were extolled above human lives. Few of the marauding, bloodletting, trigger-happy, blood thirsty, killing machines, the Fulani Herdsmen that were scarcely arrested were released by \*order from above\*, and nobody uttered a word.

Billions of Naira was sunk into projects like laying and connecting of gas pipelines, from Nigerian Refineries and construction of Railway from Nigeria to Niger Republic and nobody uttered a word.

Nepotism reigned Supreme, people from one ethnic group, religion, and region were selected/appointed into key and choice offices and positions, people from same religion took over the security of the country at all and different levels, and nobody uttered a word.

As if they're not satisfied with the untold hardship they subjected the Citizens to, Fulani Herdsmen metamorphosed into Bandits Criminals and Kidnappers, and collect our hard earned money from us as ransoms, with all indications and clear facts showing that they're Government-backed, and untouchable, and nobody uttered a word.

The Defense Academy was invaded, without any form of resistance to the Invaders, Officers from selected parts of the country were killed, till today the Perpetrators have not been arrested, and nobody uttered a word.

A sitting Minister who has all our phone numbers, national identification numbers, bank verification numbers, house addresses, and by extension our bank account balances, openly shows his support and admiration for Terrorists, Bandits and Kidnappers and is still retained as a Minister of the Federal Republic of Nigeria and nobody uttered a word.

They told us that a snake swallowed millions of Naira in JAMB office, and Monkeys made away with millions too, and rodents caused damages in Aso Rock Villa that gulped billions of Naira, and nobody uttered a word.

Kuje Correctional Facility was attacked, Officers and men of the Nigeria Army were killed, Boko Haram Suspects freed, and nobody uttered a word. Trillions of dollars have been borrowed, thereby mortgaging the future of the unborn generations, without any sign of where or what the fund is used for, and the rubber-stamp National Assembly is vibrantly willing to approve more loans, and nobody uttered a word.

Commanding Officers, and Soldiers who were sincerely committed in the fight against Terrorism either died mysteriously or were killed by their Boko Haram-loving Colleagues, and nobody uttered a word.

She was just 24, a Flying Officer of the Nigeria Airforce, committed to the cause of her duty to end insecurity in the North. She proved it to the point that she was nicknamed Bandits Slayer.

Bandits and Terrorists run for their lives whenever she's in the sky. Tolulope Oluwatoyin Sarah Arotile was killed with loads of ambiguities lurking around her death, and nobody uttered a word.

Armed robbery, kidnapping, criminality, and banditry became legitimate to the logic of the imperatives of survival, and the Government is lackadaisically relaxed, without any plans of protecting the lives and properties of the Citizens, and nobody uttered a word.

A sitting Governor, democratically elected was removed by the Supreme Court, and a man who came fourth in the elections was imposed on the State as the Governor, anarchy, chaos, murder of innocent Youths and bloodshed became the order of the day in Imo State, and nobody uttered a word.

On the 20th day of October, 2020, they created a Pool of blood at the Lekki Toll Gate with the blood of innocent, harmless #EndSars Youths, stained the Nigeria flag with the blood of her own Youths, sponsored Fulani Militia, wielding either sophisticated rifles or machetes, dressed in either Army uniforms or mufti who attacked, dispersed and killed the harmless Youths. Kangaroo Panels of inquiry, Committees, etc were set up to deceive the people, and nobody uttered a word.

They did Muslim-Muslim ticket in Kaduna, and even boasted that the God of the Christians can't stop them, and nobody uttered a word.

Now, they have modified their nepotism by placing one of their men in the opposition party and are doing Muslim-Muslim ticket in the ruling party, but this time around, everybody is saying NO. **WHAT THEY WANT, THEY WON'T GET THIS TIME**
