FROM ZERO TO HERO

1 Samuel 2v8

He raiseth up the poor out of the dust and lifteth up the beggar from the dunghill to set them among princes and to make them inherit the throne of glory for the pillars of the earth are the Lords and he has set the world upon them.

From zero to hero simply means that God has decided to change your seat. He has decided to change your position from nothing to something, from behind to the front, from obscurity to relevance. He has decided to change your story for the best. You are going to say, 'Father this morning, I receive my change of seat from nothing to something, from zero to hero, from obscurity to relevance, in the name of Jesus. But I want to tell you to get prepared because this change will attract envy. You are the envy you are not the envious.

From zero to hero also means change. Zero means emptiness, no quantity. But hero means a personality that is relevant, that is important, that is honored, that is respected. That is where God is taking you to. Shout Alleluia

In the Holy book, there are many stories of men and women that God changed their story from zero to heroes. Mordecai, David, Esther, Joseph, Jephtha and many others. Your story will be the next in line for change from zero to hero. What kind of change are we talking? A change from glory to glory, a positive change, a progressive change, and a productive change.

God is saying to you that from now onward HE will reset your journey of life. God is saying, I am changing your story from where you are to a new level. From zero to hero is also a revelation. There is a version of you that men know but there is a version of you that God sees. That is the original version that God wants you to be. You are more than what ordinary eyes see. Before the end of this year, God is saying what I know and see about you will soon manifest then what men know about you. That heavenly version of you will take over you in the name of Jesus.

Men called David a teenager but

God called him a man. The world saw Mordecai as an ordinary gateman but God saw in him a Vice President. The world saw Joseph as a dreamer but God saw him as a Prime Minister. The world saw Jephtha as a failure but God saw in him a leader and a future king of his people. The world saw Esther as an orphan but God saw a greater version of her as a queen and the deliverer of the Jews. The world saw David as a shepherd boy but God saw a better version of him as a giant killer and a king.

So what the world sees in you now is their myopic view and opinion but what God sees in you is greater. From today you are moving from zero to hero in the name of Jesus. You need hard work, good character and the fear and love of God to become a hero but of all the most important ingredient you need is the spirit of favor.

From today receive the spirit of favor in the name of Jesus. Favor in the name of Jesus. God will propel the spirit of favor that will become your escalator in the name of Jesus.

Prayers

- * Father let your favor propel me from zero to hero.
 - * Father reset my journey of life and move me forward
- Father let your original version of me manifest from now onward in Jesus name.**

If you are yet to give your life to Christ then it may be difficult for you to move from Zero to Hero. Talk to God now and ask for mercy. Renounce all your sins and promise HIM that henceforth you will live to please HIM. If you are serious and intentional about this confession, HE will release HIS Grace to help you.

Read me again next month. God bless you.
