

'Behold, I Give You Power Over the Nations'

'God is waiting for you'

... Bishop Abraham charge Ministers of God

Bishop Bona Abraham

Founder of Abraham University, Houston Texas

Abraham University Houston has put together a three day 2025 Global Leadership Conference for Pastors and Ministers of the gospel at the Unity Christian Centre in Wuye District, FCT Abuja. The Leadership Conference which took place from the 9th – 11th of October 2025 was primarily focused to empower Ministers of the gospel to lead a global revolution for God. While Speaking, the Convener of the Conference and Founder of Abraham University Bishop Bona Abraham reiterated the already known fact that the University is committed to excellence, integrity and transformational leadership. He assured the August Crowd at the Conference that 'whether you believe it or not you are about to witness the greatest transformational moment of your life. Shout unto the Lord with a voice of triumph. I can hear the Lord saying 'Behold, I Give You Power Over the Nations'

The Bishop referred to the book of Revelation 2v26; 'And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations.' (KJV). He told the story of an architect and his wealthy father-in-law who gave his son in law

an opportunity to build a great and unique mansion for him by virtue of the fact that he married his one and only daughter. But instead of the son in law to build the mansion with the right quality materials as agreed and planned in the estimated cost, he opted to use low quality materials and cut corners believing that his wealthy father-in-law is too old and may not live long enough to enjoy the mansion. At the end of the day the Father in law gifted him and his wife the mansion to his greatest amazement. The young Architect not only regretted but he lost the opportunity he to own the best mansion ever as he used substandard materials to build the mansion. The Bishop reminded everyone present that whatever work you are doing in the kingdom it is your future you are building not just merely helping our pastor or our organization. He asked, are you using cheap materials to build your future thinking you are cheating someone? The preacher Bishop Abraham told another story from the book of Luke 19: 20 – 27. The story of A noble man- who travelled to a far country to receive the kingdom, clearly shows that when the Lord of Lords and King of Kings returns He is going to award territorial powers and authority to the faithful. He noted that the Awards were given according to accomplishments and achievements. The Awards Were Kingdom Dominion and Authority.

According to him, Jesus promised kingdom Dominion and authority to all who continued to follow Him despite persecutions, hardships and sufferings. Again we can see that He promised political power and authority not just mere gifts.

Luke 22: 28-30. The two sons of Zebedee desired and targeted the position or place of power; the right hand and the left hand on the thrones. Why is it? Well the Lord must have told them something about the political future system of the kingdom and how the faithfuls are going to occupy it. Matthew 20: 20 - 23. Jesus did not rebuke them for their desire or quest. He did not deny them the right of the right hand or left hand position of the throne, but simply stated the price for getting there. The Cup and the baptism. The cup means sacrificial suffering for the kingdom and the baptism means the persecutions, tortures are imprisonments that often follow radical kingdom builders'.

Bishop Abraham explained that Power, Dominion, Authority, Influence, Upper Hands, Leadership, Government, Advantage, Overrule and Control may sound worldly and ungodly but they are the very words that describe our mandate as His Ambassadors. Today, the Lord is focusing on your capacity, Capability and competence in Manifesting His Kingdom power, dominion, and authority over your territory. It is

expected that after this conference you will encounter the following Empowerment. Equipment. Ordination. Activation. Unleashed. Released. Un-pursed. Clarity. Discernment. Manifestation. This is because the Lord Lord is equipping all kingdom ambassadors to take over and take charge of their territories. Today you shall be anointed with fresh oil, fresh ordination, fresh deployment to fully and properly represent Elohim, in order to bring His Kingdom to your territory. His Kingdom is Righteousness, Peace and Holy Joy to all men of good will and His mandate to us as Ambassadors is to enforce His righteousness on our territories. To enforce His justice, judgment and righteous governance is not going to be an easy task in the midst of satanic entrenched tyrannical and lawless leaders who serve satanic purposes.

But it is going to be by force, aggressive actions. And it is going to be by violence, violence means making legitimate and volatile decisions. But for us as His Ambassadors to be able to do this we must have His power, dominion and authority'

According to the Preacher, God is here today for one reason: to anoint you afresh, to empower you, to commission you afresh, to equip you, to activate you, to release you, to deploy you, to shoot you out like an arrow into your new assignment and to your territory for absolute Dominion. 'The Lord will have you to be a courageous, passionately, sacrificial, committed, Humble, Honest, faithfully dedicated to His global agenda. You are His Ambassador! You represent the Heavenly Government. You are Elohim's Change Agent here! That's who you are!

He continued 'After this meeting you are going to see yourself as He sees you and He is going to use you mightily to change your territory to His glory! Today you will be empowered, Anointed, Equipped, Ordained and Graced to manifest Kingdom Power, Dominion and Authority that is required to enforce His Kingdom. Your life will no longer run on a survival mode. You are no longer going to engage on the rat race anymore. Your berry is never going to be your god anymore. Your mind is never going to be set on earthly things anymore. Your glory shall not become your shame in Jesus Name! You're not just a man of God struggling to survive in Nigeria terrain. Or just a Pastor struggling to grow your Church and help God's people. You are not just a Leader trying to do something worthwhile for God's kingdom. The last time I checked, you are God's Agent of Change in the Nigeria. You are God's Representative in your particular territory. You are Heavenly Government Ambassador operating in Nigeria country. You are heaven's strategists on this planet. Make no mistakes about it, you are seated in high places with Christ (Ephesians 2:6).

The preacher said 'The whole world is in a chaos now. There's a global satanic conspiracy. There's an upsurge of violence

against humanity. Racism, Tribalism, Nepotism, satanic cultural, cultural perversion, Sodomy, human trafficking, sex trafficking, Child trafficking and child prostitution, Kidnapping and abduction of children and minors, inhumane Killings and torture of innocent people, beheading humans as caws, killing and severing human organs, human organs smuggling, religious Terrorists, religious hatred, religious wars, domestic, betrayal, Haitian President was assassinated by his wife. Unbelievable violence, Drugs abuse, Drugs trafficking, national wars, barbaric killings, ethnic hatred, ethnic cleansing, etc. The scale of the massacre in Syria is almost unthinkable: today October 11, 1,517 murdered with 300 field executions – no trial, killed on the spot – with Christians targeted. Now yet another horror: Our source on the ground is reporting that 500 girls and women have been abducted – violently taken from their families and sold into sex slavery. Once again, ISIS is spreading fear and evil. Militias tied to ISIS and loyal to the Syrian regime are launching a deadly campaign to seize the region and eradicate Christians and other minorities. These are the same monsters who butchered entire families – including Christian pastor Khalid Mezher and 20 of his relatives. The terror hasn't ended. It's becoming a way of life all across the region. Notice that all these are symptoms of the spiritual battle, the ongoing war between God's Kingdom and darkness kingdom. But God is raising leaders like you who won't cower in the face of death but conquer for His Kingdom.'

He reminded the gathering of God's Ministers that the book of Revelation 2:26, was spoken to the persecuted, suffering and persevering church in Thyatira. Today He is speaking to us in Nigeria by His word: 1. Go and Overcome, 2. keep My works till the end, 3. I'll grant you power and authority over nations. And you Ladies! This is not for men only How about

The Anointing of Deborah? - in Judges 4: 4-10. And How about The Anointing of Jael? - in Judges 4: 15-23. This isn't about personal empires; it's about advancing God's Kingdom globally.

He continued 'As ambassadors (2 Corinthians 5:20), you carry diplomatic immunity from heaven, backed by the King of Kings. Your territories? Not just local churches, but nations, sectors, and systems. Here at this conference, we're not here to network—we're here to be ignited afresh for global impact. He is activating your ambassadorial mandate, and releasing you to go forth to manifest His dominion. By the end of this session, you'll emerge courageous, passionate, committed to erase hell and raise kingdom warriors in your territory.

Bishop Abraham spoke about the Promise of Power and Overcoming Challenges in Leadership. He said that the promise begins with overcoming and to conquer demands resilience amid trials which can come in form of hardships, unpalatable challenges, obstacles, hatred, blackmail, rebellion, blasphemy,

church division, heartbreak and even health crisis. He explained that it is when the enemy see that you have got the power that he will intensify the best in his armory to fight you because you are a real threat to his kingdom. Yet, Jesus promises power over nations to those who endure and keep His works to the end. Genesis 1:28 is the original dominion mandate, though once lost but was reclaimed by Christ (Colossians 2:15), now delegated to you and I. We can't fail God. Declare: 'I overcome by the blood of the Lamb' (Revelation 12:11). This power equips you for global purpose—to be passionate, committed, courageous! He said further that You Are God's Ambassador—functioning with Heavenly Authority

'According to 2 Corinthians 5:20, you are heaven's envoy in earth's arenas. In churches, you represent Christ to congregations; in institutions, to stakeholders; in industries, to markets. Ambassadors wield authority: when they Speak, it's as if the King they represent has spoken. Ecclesiastics 8:4, Where the word of the King is, there is power. Proverbs 18:21 reminds us of tongue's power—use it to decree justice in corrupt systems, innovation in stagnant industries, revival in dormant churches. Protection? Psalm 91's covering shields you from scandals, blackmail, betrayals, bewitchments, or satanic setbacks'.

Bishop Abraham told the congregation of Pastors and gospel Ministers that Heaven funds global visions (Psalms 24:1, Philippians 4:19). Consider Daniel: An ambassador in Babylon's courts, influencing kings through integrity and prophecy (Daniel 2:48). He enforced God's rule amid pagan empires, corrupt politicians and wicked traitors. Ambassadors, this is your job description. 'You are commissioned and anointed to negotiate heaven's terms on earth. Don't be timid, be bold and boldly declare your mandate. You represent the king of the universe! This should fuel your passion for God's purpose. Cast your vote and commitment to righteousness, and courage against all odds. He admonished the Ministers of God that Manifesting Kingdom Dominion and Authority Over Global Territories is not optional but mandatory. You will not be anointed! You are already anointed to bring God's Kingdom to your territory. But remember, Territory' expands globally. Remember Joshua 1:3: 'Every place your foot treads, I give you.' For you, it's continents, supply chains, digital frontiers. He further explained that Dominion is stewardship and we have the mandate to rule as God does wisely and justly. Psalm (72:1-2). Authority? Luke 10:19: Power over the enemy. Manifest through strategic prayer (like Elijah calling fire, 1 Kings 18), bold actions (advocating policies aligning with Scripture), and faith decrees (Mark 11:23). Leaders, enforce righteousness: Combat human trafficking, foster unity in divided nations, ignite revivals in secular institutions. In this conference, envision a world where your leadership topples strongholds—economies thriving under godly principles, churches multiplying globally. You're equipped for this dominion. Be passionate to transform your nation, be committed to endure, and be courageous to confront evil. He gave strategies to Global leaders for Enforcing Righteous Rule in their various sphere 1. Embrace Identity Daily: Meditate on Revelation

5:10—you are kings and priests reigning on earth. Affirm daily: 'I am God's global ambassador! 2. Overcome Strategically: Audit obstacles—bureaucracy, ethical dilemmas. Anoint with oil symbolically (Isaiah 10:27), break yokes through fasting and long hours' intercession. 3. Exercise Authority Globally: Network here, form alliances. Pray over nations (1 Timothy 2:1-2). Launch global initiatives, enforcing justice, advocacy associations, anti-corruption policies, discipleship programs. 4. Build Collaborative Networks: Ecclesiastes 4:12: Strength in unity. Partner across sectors—church with industry for global missions. 5. Persevere with Passion: Have upper hands, Overcome all! Claim your territory! Take it by force. Bishop Bona Abraham in his final charge to the Ministers of God prophesied 'Today I see the birth of a new apostolic prophetic movement. A movement of gods, in the likeness of man, transforming industries, institutions, nations. I see world changers rising from here to take territories for Elohim. Today I activate Global Apostolic Kingdom Revolutionary Movement. Today receive your ambassadorial mantle activation. Receive your Apostolic Activation to function in territorial capacity. Receive your Prophetic Confirmation to prophecy divine order. Receive seeing eyes and hearing ears for dominion's manifestation. Receive heaven's master plan and activation strategies to function. You are God's ambassador to your domain, be activated now. You are Anointed to represent Elohim in your territory. You are appointed to bring His Kingdom Power and Dominion. You are commissioned to enforce His Kingdom rule globally. In the name of Elohim, I charge you to arise for God's kingdom. Receive Power! Be courageous! Be passionate! Be committed to God's purpose! Have Dominion! Manifest kingdom dominion! Manifest kingdom power! Manifest kingdom authority! Be empowered! Reign over your territory! Have a voice that can't be resisted or ignored. Have great influence over your domain. Ask for your territory! Take your domain by force! Remember Psalms 2:8, I will give you the nations for your inheritance! Stop asking for money and material stuffs, ask for your territory! Go forth—behold, He gives you power! Stop asking God to do something. Do something for God. Go Transform the world for God. Stop looking up to God. God is looking to you! Stop waiting on God. God is waiting for you;'
