MULTIPLE WONDERS

PASTOR E.A ADEBOYE

Text: EXODUS 15:11

The Secret of Multiple Wonders is Gratitude - When a child is Grateful for what He had received in the Past, then he will get more. If only we can Thank God for what He did Last Month (August), He will do more this Month (September). So, on your own, just go to the Almighty God - Give Him Glory, give Him Honour, give Him Adoration. Bless His Holy Name - He is a Miracle Working God; He is the One who can Perform Wonders. He did it Last Month (August) Beyond our Expectations. Then why not Praise Him for what He has done in the Past so that we can receive more.

Exodus 15:11 - Who is like unto thee, O LORD, among the gods? Who is like thee, Glorious in Holiness, fearful in Praises, doing Wonders? A Wonder is that which causes you to open your mouth and you can't close it. And in the Name, that's above every other name, I decree: every one of you would experience a Wonder tonight - Amen! So Why on Earth will God Perform Multiple Wonders? Why? Oh! So many reasons. I will just Pick maybe one (1) or two (2) of them;

I. It is to show His Supremacy over and above all His Enemies. You know Ecclesiastes 5:8 tells us that God is Higher than the highest. So, when He wants to show the Enemies that He is Higher than they, then He does Multiple Wonders. For example: Consider God Versus Pharaoh: In those days Pharaoh was the biggest King around. So, God decided to show him that Somebody is greater than somebody else. So, He arranged for a Competition. And if you read Exodus 7:10-25, you will see certain things happening. For example, I. Moses threw down his rod it became a serpent. Oh! The Magicians of Egypt said, what's that? We too can do that. They threw down their own rods, their rods became serpents. And the serpent of God swallowed all the serpents of the Magicians and then became serpent again. Now, that's another wonder! So, there is News for those who are competing with you back home. Let them get all their

magic together; by the time you get home one rod would be swallowing up all other rods - Amen.

II. And then you find Moses changing water to blood. And the Magicians said, oh! we can do the same thing and then they did it! III. By the time you get to Exodus 8:1-7, Moses brought forth frogs out of the rivers and the magicians said, we can do that - and they did. So, there was Round 1, Round 2, Round 3. Then God said, "No Problem, let's move to Round 4."

IV. In Exodus 8:16-19, Moses Produced lice just by smiting the sand with the rod and all the sand became lice. The Magicians of the Egyptians tried to Produce their own lice and they said, "Ha! No, we can't do this, we surrender!" God said, we are only in round 4 ooo, we are going to Round 10: I will show you that I am far, far Superior to you - You know the rest of the Story). By the time the Competition was over, there had been ten (10) Wonders; and the Almighty God has shown the enemy that at least He is seven (7) more Rounds Superior to the Magicians of Egypt. By the time God finished round 10, it was Pharaoh who was begging the children of Israel, please go! I was telling one of my children not too long ago - He wanted to know, "Daddy why don't you fight?" Because he had seen some People who misbehaved who should be dealt with. I told him a Story - I said when I was Younger, I was a Boxer (I am sure you already knew that). And my Coach told me, when you go into that ring, you must not go to win by Points. You must knock out your opponents. I said why? He said, when you have a Competition, there will be three (3) Judges and the Judges can be bribed. So, if they are going to decide who wins on Points, they could say the opponent won. But if you knock out the opponent then there's Nothing anybody can say - They would see who the Winner is. So, he said, when you go into that ring, make sure at the end of the fight there is only one fellow Standing - And that fellow will be you. That's why I don't fight; because the moment I begin to fight, the fight will not end until only one fellow will be Standing.

Now I want to decree to you today - All those Forces fighting against you, before the Sun rises tomorrow, you will be the one Standing - Amen. The Almighty God Performed Multiple Wonders to Subdue Permanently His Enemies. I love the Testimony of Kabiyesi (The King) - He said he sent the first one down never to rise again; the second, up to the fifth one. I like that. The next time I hear your Testimony it

will be like that - Amen.

2. Why God Performs Multiple Wonders is to Establish the Law of Substitution. The Law of Substitution in Proverbs 11:8 says, The Righteous is delivered out of trouble, and the Wicked cometh in his stead. In Plain Language - If Death is about to swallow the Righteous, God will say, No, No, Death open your mouth. He would pull out the Righteous and look for the Wicked and He would say, "Death, you want a Victim, take this one!"

I. Exodus 4:21-23, God said to Pharaoh, Israel is my son, let my son go; if you don't let my son go, I will kill your son - There shall be an exchange. If you want to hear the Full Sermon on the Law of Substitution, I Preached it first when I was a Lecturer at the University of Lagos (Nigeria) in 1970s. So, I won't be Preaching that Sermon tonight - I just want to give you some illustrations tonight.

II. In Exodus 14:21-28, the Red Sea opened, the Children of Israel Passed through on dry ground and the Sea was wondering "what's happening? Now People are just trampling over me?" God said, "take it easy, there is a Substitution coming." And all the enemies of the Children of Israel were in the Middle of the Red Sea and the Sea Closed again.

III. Take Daniel 6:16-24 as a Classical Example - They threw Daniel into the Den of Lions. The Lions saw Daniel coming, they thought ha; here comes food. God said, No! Don't touch this one, he is a son of the Lion of the Tribe of Judah. The Lions were upset, God said, take it easy, Substitution is coming. The following morning, they Pulled out Daniel and then all those who threw Daniel in came down to the Den of Lions and the Lions had a Good Meal. Because there may be some of you who would say, Oh! That can only happen in the Old Testament. It can't happen in the New Testament, because we are now in the Age of Grace.

IV. But when you read Acts 12:5-24, the Bible tells us that a King arranged to kill Peter by the following morning. But God moved in and brought out Peter. The following morning, they came, and they found that the Prison doors were securely locked but Peter had escaped! So, the King said, okay! The Soldiers who were guarding him, kill them! It was Peter that was supposed to die; the following morning it was the Guards that died. God said, wait a Minute, those People were merely doing guard duty. What about the King that threw Peter in. So, He planned for wombs to

eat the King. So that they had enough Substitution. *You will say, why are you telling us this? It is because there might be some People who have made up their Mind that the only way you can have children is over their dead bodies. So, they will die because you are going to have your children - Amen. Some of us do not fully understand Christianity - Many of us don't fully understand the fact that, yes, Jesus Christ is the Lamb of God. But He is also the Lion of the Tribe of Judah. But I have said it before, when He says, "be gentle as a Dove"; that is in a certain situation because He added quickly, "be Wise as a Serpents". *Anyone who says you would not reach your Goals; the Law of Substitution will apply - Amen. That's just clear the Ground - That is Introduction. Don't worry, I am not going to take too much time - We need to Pray tonight, because we are going home with Multiple Wonders.

LET'S GO TO SARAH.

~~Because tonight is Specially for those who are~~ trusting God for the Fruit of the Womb. How many Wonders were given to Sarah? Genesis 18:9-14, tells us about how God paid Sarah a visit and made a Promise - "By this time next year, you will carry a son". Wonder No. 1: As we discovered in Romans 4:19, the body of Abraham was already dead - He was already a hundred years old. It was a long time he had sex last; but the Bible says, God quickened his dead body and brought it back to Life. Wonder No. 2: The womb of Sarah was already dead - The Bible said so. She was Ninety (90) years old. God quickened her Womb. Wonder No. 3: She gave birth to a child called, Laughter. According to Genesis 21:1-7, the Bible says Sarah herself said, "who would have thought that Sarah would have a child?" Which is Good News for those of you that have been written off - They say you can never have a child of your own. Get ready for a Wonder - Amen. Wonder No. 4: In Genesis 25:21-26, the child (Isaac) Produced the first ever set of Twins - That's a wonder! But they were not Ordinary Twins - The Almighty God said the Twins would become two (2) Nations. Two (2) Nations coming from one Womb. He said, "of the two (2) Nations, one will be less than the other. Okay! When you read Genesis 32:1-6, You'll discovered that the lesser of the two (2) had a Bodyguard of four hundred (400) men - That must be a Great man! Because I have told you, the first time a President visited us here for a Congress, he brought two hundred and fifty (250) Bodyguards. So, the lesser of the two (2) had a Bodyguard of four hundred (400) - That means he had more Bodyguards than a President.

What about the bigger of the two (2) - if the lesser is that big? The bigger of the two (2) became a Nation - A Nation that when they were leaving Egypt in Exodus 12:37, consisted of six hundred thousand (600,000) men, without counting children.

Thank You Father. The Lord asked me to tell Somebody here tonight or reading now When the Children of Israel were on their way to the Promise

Land and they needed meat, the wind blew and brought in Quails. So, He asked me to tell Someone, in this time of difficulties, the wind will blow - Amen. Sarah was considered "Impossibly Barren" - God gave her Multiple Wonders until she became the mother of Nations.

CONSIDER HANNAH... My daughter who spoke before me somehow must have spied my Note Spiritually. Hannah asked for only one (1) child (1 Samuel 1:9-20) - "Give me just one (1) son and I will give him back to you. I just want it said that I too have a child". The Almighty God gave her the one (1) child and gave her five (5) Extra - That's Multiple Wonders! But God didn't stop there; the one that Hannah gave to God; God turned to a Prophet (1 Samuel 3:19-21). And since God has given me Freedom to decree tonight, I decree to Somebody Inclusive those reading now - Your Samuel is on the way - Amen! But Samuel wasn't an "Ordinary Prophet" - He was the first Kingmaker of Israel (1 Samuel 9:17-27). And then in 1 Samuel 10:1-25, there is only one (1) fellow that is Greater than a King - That's the Kingmaker. How would you like it - If tonight God gives you a child that sometimes in the Future, whenever they want to elect a President, they say, "go and ask him?" But he wasn't just the Kingmaker, he was also the King-remover. You know you can make a King and if you misbehave the King can get your head cut off. But in the case of Samuel, in 1 Samuel 15:1-29, he spoke a word and the King lost his Kingdom. *From the Womb of Hannah came six (6) children - One of them a Prophet, a Kingmaker, a King remover. Multiple Wonders! have Good News for all of you trusting God for the fruit of the Womb - Every child that shall be conceived as a result of tonight's Meeting will not be Ordinary - Amen. But then let's move quickly and discuss, just like some of the People who spoke before me referred to; Thank You Lord. I am sure you know that there is something called Vision - That is when you are not Sleeping and suddenly, you see things. Some had happened in the Past, some in the Present and so on. But suddenly I have seen a Vision - I have seen a Large crowd of "Little Children". And there is something Peculiar about them: They all have a name that means "The Door Opener". In Yoruba "Olushina" - That is the first baby that opens the Womb after a long Period of Barrenness (Amen)

Ha! Thank You Daddy. Daddy says that is going to happen during the Next Convention (The RCCG Annual Convention 2024). And you know what? He asked me "how many do you want as Twins?" So how many do you want as Twins? Alright! Let me ask for Three Thousand (3,000) Twins - Amen!

WONDERS PHYSICAL Let's talk about Wonders in the PHYSICAL. In 2 Kings 20:1-11, King Hezekiah was sick, and God sent His Prophet, "go and tell him, you are going to die - You are not going to live; put your house in order". And the King (Hezekiah) said, "God sent you to tell me that I will die?" Yes! He said,

"God I am not ready to go yet ooo; You must remember I have been serving You very well. And I still want to serve You more!" And God told the Man of God who was just coming out of the Palace; "go back and tell him that I have Changed my Mind" - Now, that's a Wonder. Because it is written in Psalms 119:89, Forever O LORD, thy Word is Settled in Heaven. And in Psalms 33:8-9, it is written, For He spake, and it was done; He Commanded, and it stood fast. ... Once God has Spoken it is done! But now God says, I have Changed my Mind - Go back and tell him, "you are not going to die now". That's a Wonder! - God says, I Postpone the Appointment. Because it is written in Hebrews 9:27, And as it is appointed unto men once to die, but after this the Judgment: We will all go one way or the other. But God says, I Postpone that Appointment. And I decree in the Name that's above every other name - Any one of you here inclusive those reading now who has an Appointment with Death, that Appointment is Postponed - Amen. I am sure some of you remembered the Testimony of Papa Okeowo - One of the Great Men of God who came to me one day and said, "Sir, I met a Prophet when I was forty four (44) years old, who told me everything that will happened to me in details. And told me that I will die at the age of Eighty-four (84). And he said, I was glad then, I was only forty four (44); and he told me I was going to live for another Forty (40) years, and all manners of Blessings will follow - And everything he said came to pass. "I have come to you now because I have two (2) weeks to go; so, I just want you to Pray for me before I depart." I said, Baba you are Born Again now. Are you ready to die? He said, not really, but that Prophet is "Sure Fire"! Everything he said came to pass so, I am ready for this one. So, I told Papa, there is a Greater Prophet here - You are not going to die until I released you. Papa said, is that so? I said, trust me. Papa had built a little Bungalow here on the Camp (2 Bedrooms). And if you see his Mansion in Ijebu-Ode (Ogun State Nigeria) you can be lost there. But he wanted to live on Holy Land so that when the Death comes, he can go from Holy Land to Holy Heaven (Laughter)! He continued to live here; attended the Bible College - You never can beat him to the Morning Prayer. When he was just few weeks to hundred (100) years, he sent for me: "I am ready to go now; Please release me. Since I don't want to live to be 100." I said, well, reluctantly, you can go! Every one of you here today inclusive those reading now, I hereby decree: none of you will die Young - Amen! But the wonder of Hezekiah didn't end there; God because of him reversed the Sun - told the Sun to go back. In Joshua 10:12-14, when Joshua was fighting and the Sun was about to set, he commanded the Sun to Stand Still and it did! And the Bible recorded it as a Wonder. But in the case of Hezekiah, it was a "Bigger Wonder" - The Sun was asked to go back on its track. The meaning of that is that the Irreversible was reversed. Like my daughter who spoke before me mentioned - In the case of Lazarus, he had been dead and buried for four
