RAISING A GODLY GENERATION

VIRTUES OF THE OUSTANDING TEEN Others may but I can't

Others may be naked but I cannot because I know my worth. Others may dress to kill and please the world but I cannot because I dress to please my God. Others may speak like the world but I cannot because the word of God is my standard. Others may lose but I cannot because I am a winner. Others may fail but I can't because I am always Victorious through Him that loved me.

Others may be playing away their time but I cannot because I have a goal and must get there.

Others may be partying but I cannot because I have not time to waste since my time is precious to me. Others may forget that the life belongs to God but I cannot forget because He is my maker and all in all. Others may forget who they are but I cannot because I know who I am and I am the righteousness of God in Christ. Others may do as they please but I dare not because I must live to please only my maker. Others may copy the style

of the world but I cannot because my style and standard is of God. Other may be careless but I cannot afford to because I am meant for the top. Others may dare to be careless but I cannot because I have a destination. Others may be doing it but I cannot because my name is not others. Others may ignore God's Word but I cannot because His Word is a lamp unto my feet. Others may belong I cannot because I know who I am. I belong to God. Others may ignore the presence of God but I cannot because it's in His presence that I find fullness of joy and fulfillment. Others may be born to bond with the world, I cannot because I am born to burn for God. Others may cheat but I cannot because I am a child of the Kingdom. Others may hate but I cannot because I am a child of love. Others may lie; I cannot because I belong to the truth. Others may bow to other gods; I cannot because I am a child of the Most High God. Others may give up but I cannot because I am making it to the top. Other may take drugs but I cannot because I am unique in creation. Other may but I cannot; this must be the words you carry because you cannot afford to be like others, live like others, think like others or forget you are created to impact your generation because you are a child of God. Others may ignore the needs of others but I cannot because helping others is helping me. Others can afford to follow the trend but I dare not because I am an example and evidence of His goodness. His Word is a delight to my life and obedience is key to my understanding. I am Outstanding because He lives in me and my Hope is in Him. I am Outstanding because the Spirit of God lives in me. I can do all things through Him that strengthens me. It is the God in me that stands me out. This is my creed and my believe as a teenager and I have no doubt I am destined for the tops because I am a divine project.
